## 4th Annual "I Can Only Imagine" Luncheon

Friday, November 7, 2008

Janice Sneed Banquet Room  
Blinn College Student Center  
Brenham, Texas

Proceeds will benefit families affected by childhood cancer.

## The Gold Ribbon

The gold ribbon campaign for childhood cancer awareness began in 1997, inspired by Kelsey Nicole Thorsen.

Gold represents our children because

- It is a precious metal, just as our children are precious.
- It represents the purity of our Children's hearts.
- It is the flame of hope.

## Our Mission

Adam's Angels Ministry is dedicated to serving families who have children diagnosed with cancer, children undergoing treatment, and those who have lost a child because of childhood cancer. We provide physical, emotional, financial and prayerful support.

## About Our Organization

Adam's Angels Ministry was founded by Donna and Tim Culliver after unexpectedly losing their four-year-old son, Adam Christian Culliver, to Acute Myelogenous Leukemia. They established this ministry to help other families who are affected by this devastating disease.

Ways in which we help include love, prayer and moral support, assistance with living expenses, clothing and hats, assistance with fuel costs and gas cards, parking passes for the Texas Medical Center, gift cards and gift certificates, phone calling cards, restaurant gift certificates, toys, stuffed animals, books, electronic toys, DVDs, CDs, iPods, computers, laptops, and any additional items needed by specific families.

Adam's Angels Ministry was formed in January 2004 under the Missions Committee of First Baptist Church in Brenham, Texas. As of September 2008, we are an independent 501(c) (3) non-profit organization under the direction of Teri Van Horn as Executive Director. Board Members include Jack Ancone, Donna Culliver, Tim Culliver and James Fritz.
